

We are very excited to open our Fabulous Fairy School doors and welcome young Fairies from across the land, who wish to enrol into our exclusive Fairy School. Our original and interactive fairy experience is open to all budding Fairies aged from 4 - 9 years.

Join us on our magical journey and give your little one the unique opportunity to become a fully fledged fairy for the day. Your fabulous fairy will be surrounded by highly experienced fairy tutors who will softly mentor and guide them through their special day.

Our fun filled and busy day consists of a selection of exciting activities, including professional glitter tattoos, nail polish, hair styling, jewellery making, dance, singing, drama activities, arts and crafts and a delicious fairy tea party. The day culminates with the special certificate and 'wing' presentation in front of parents.

We offer three Fairy experience packages; The Cherry Blossom, The Rose Flower & The Orchid Flower Fairy experiences. All Fairy experiences include a special parcel delivered directly to your home, which includes your child's personalised invitation to the Fabulous Fairy School and a beautiful Fairy dress for them to wear on their magical day.
